

# Tribal Inventory Project

WRAP Board Meeting

May 17-18, 2005

Phoenix, AZ

**Sarah Kelly, Institute for Tribal Environmental Professionals (ITEP)  
At Northern Arizona University**

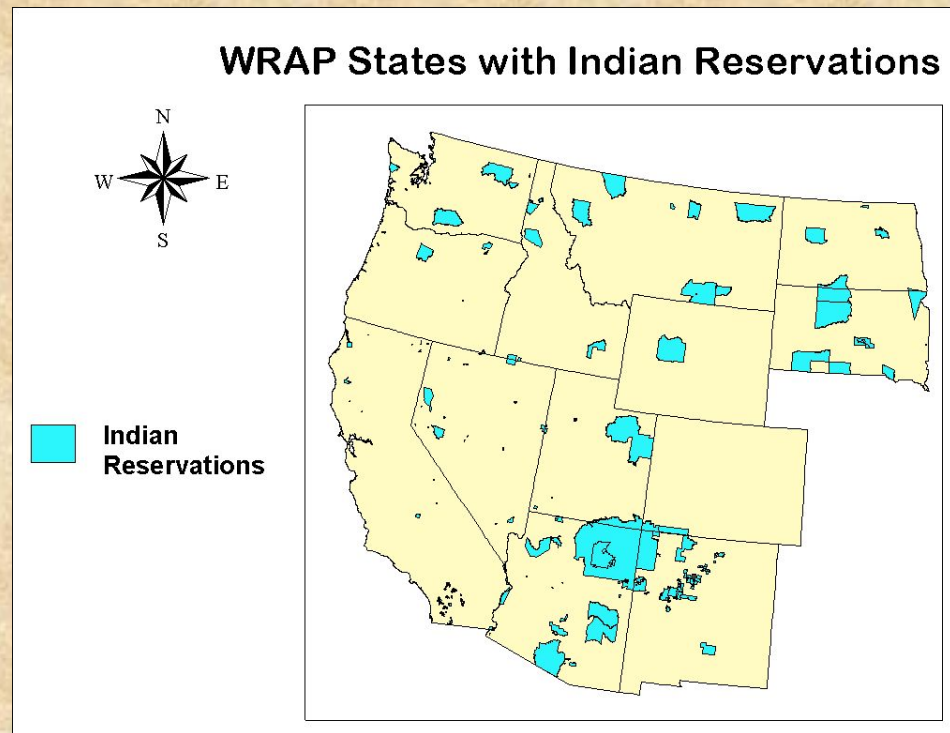

# Tribal Inventory Project

- Objectives:
  - Inventory all significant point sources of NO<sub>x</sub> and SO<sub>x</sub> in WRAP's Indian Country
  - Inventory significant oil and gas exploration and production sources in Indian Country
  - Include all Title V, Part 71 permitted sources in WRAP EDMS

# Tribal Inventory Project

- ERG-Environ Team conducting inventory work on 8 reservations
- ITEP compiling Title V, Part 71 data and 2002 emissions on all other WRAP region reservations.

# Source-type by Reservation

## Tribes working with ERG-Environ

- Wind River Reservation (Title V - ITEP, O/G)
- Ute Mountain Tribe (O/G)
- Navajo Nation (Title V - ITEP, O/G, minor sources)
- Tohono O'odham Tribe (Title V - ITEP)
- Colville Tribe (Title V)
- Yakama Nation (Title V, minor sources)
- Warm Springs Reservation (Title V)
- Jicarilla Apache Nation (Data not yet Released)

# ERG- Environ Progress to date

	Title V	Minor Sources	O/G
Wind River	Completed (2 sources)	None	Most data obtained
Ute Mountain	None	None	Most data obtained
Navajo	Completed (13 sources)	Likely, need data	Most data obtained
Tohono O'Odham	Completed (1 source)	None likely	None
Colville	Data Collection Complete (2 sources)	None likely	None
Yakama	Data obtained for 2 of 4 Sources	Likely, need data	None
Warm Springs	Need data (1 source)	None	None

# ITEP Progress to date

<b>Tribe</b>	<b>Title V</b>
Shoshone Bannock Tribes	Data submitted to EDMS
Southern Ute Tribe	Data provided to Environ for gap filling
Cabazon Band of Mission Indians	Working with tribe to approve data release
Fort Mojave Indian Tribe	Working with tribe to approve data release
Confederated Salish and Kootenai Tribes	Data compiled, need to contact tribe for release
Crow Tribe	Data compiled, working with tribe for data release
Nez Perce Tribe	EI completed, working with tribe for data release

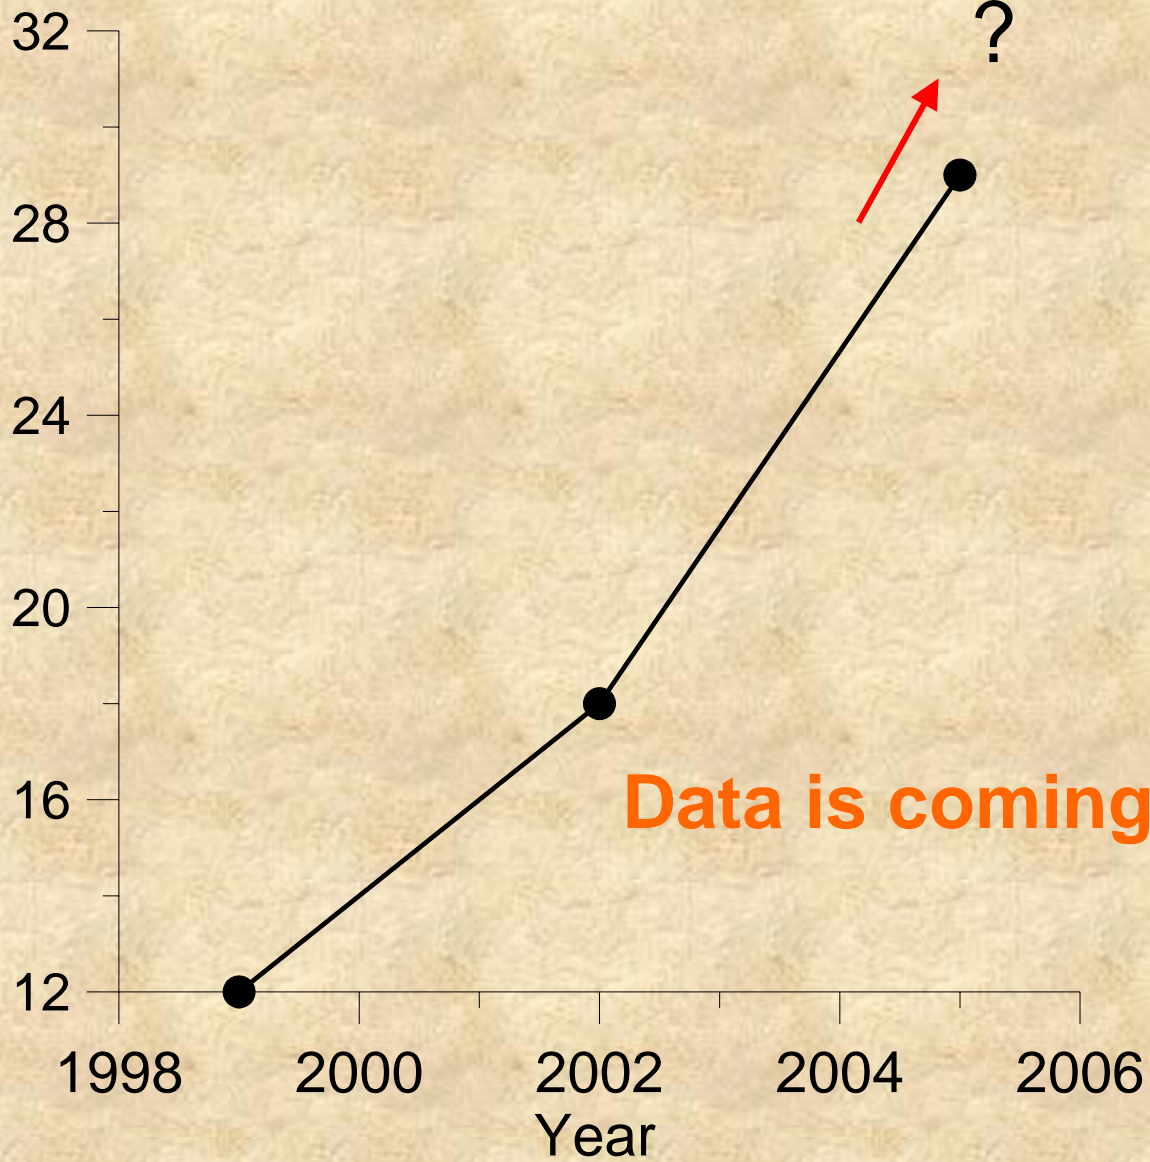

# Next Steps

- Format existing Title V data for EDMS upload
- Obtain remaining Title V data and format for EDMS upload
- Confirm no minor sources at Colville and Tohono O'odham
- Evaluate Navajo and Yakama Nations for potential minor sources and format resultant inventories for EDMS upload
- Upload all data to EDMS

Tribes Releasing Data to  
WRAP as of April 30,  
2005, **in orange**

Number of Tribes Submitting Data to the NEI

**Data is coming in!!!**
