Next Steps

- Across all Forums and Workgroups, assess current and planned projects to determine if needs of States are met toward:
 - Completing Regional Haze plans due 12/07; and
 - Supporting initial implementation in 2008.
 - Combine Modeling Forum, Ambient Monitoring Forum, and Attribution of Haze WG activities into a “Technical Analysis Forum” (start at 11/06 meeting)
 - Move to less frequent in-person meetings (2/year), supplemented with conference calls
 - Revise travel reimbursement policy if needed
-
