

Hello Folks, The next meeting of the FEJF will be on February 6 (8:00-5:00) and 7 (8:00-4:00) at the Westward Look Resort (www.westwardlook.com) in Tucson, AZ. The first emphasis of this meeting will be review of finished products from the FEJF Emissions Task Team and Agricultural Alternatives Report. Initial contractor work on Wildlands Alternatives, Prescribed Fire Program Assessment and 2018 Fire Emissions Projections will also be discussed. The Enhanced Smoke Management Task Team (ESMP TT) will be discussing their draft recommendations. There will be a meeting of the Enhanced Smoke Management Program Task Team on February 5 (1:00-5:00) at the same facility (see agenda below). The second day will have at least a morning session dedicated to breakout discussions among several Task Teams.

The next meeting of the FEJF will be 15-16 location to be determined.

RSVP - PLEASE REPLY TO THIS E-MAIL IF YOU PLAN ON ATTENDING THE FEJF AND/OR THE ESMP TT MEETING. Please specify which meeting(s) you plan to attend in your reply.

The meeting will be held at the Westward Look Resort at 245 East Ina Road, Tucson, AZ 85704. Phone for reservations is 800-722-2500. Direct phone access for the Resort is 520-297-1151 or fax 520-297-9023. Please refer to the room block set up under "WRAP" with a government per diem room rate of \$85.00 plus tax for the nights of February 4-7.

*****ROOM BLOCK CUT-OFF IS JANUARY 15! BOOK NOW!*****
NOTE: The Tucson Gem Show is in town and lodging is generally scarce and it is tight at the resort already!

Transportation: The hotel does not have a shuttle service. The hotel recommends the Arizona Stage Coach which is \$46.00 roundtrip from the Tucson airport. Once a person has their baggage there is a booth that you can purchase your ticket at and they will schedule you for the next available van.

Casual business attire is the standard FEJF meeting dress code. Please plan on attending the full sessions to insure that the afternoon sessions are productive as the FEJF is at critical juncture on a number of tasks needed to meet the Regional Haze Rule timeline.
