

Folks, I have set up a conference call (with the able assistance of our EPA rep. John Kennedy) scheduled for March 26th from 9:00 AM until 12:00 Noon PM PST. There are only 30 lines available. I need a head count of anticipated participants so please REPLY to this notice by COB Wednesday March 24. I will also announce the call to our outer circle but at 15 minutes after our start time to insure FEJF members can get a line. Please submit agenda items however the following is a start to the list:

1. Status of Workplan after IOC/TOC vetting in Phoenix (March 1-2, 1999)
2. Status of WRAP Strategic Plan and FY99 funding exercise (incl. Co-Chair re-prioritization)
3. Plans for FEJF presentation of Workplan and "smoke effects" scope at WRAP meeting 3/31/99
4. Identification of outreach groups and individuals to insure adequate FEJF participant responsibilities are met as outlined in Workplan (name, address, e-mail).
5. Task Team Issues:
 - Procedures for operation
 - Task Team Work Outlines and Budgets
 - FEJF reporting requirements
6. Initiation of task teams:
 - All teams should be preparing lists of potential participants, funding sources, and collaborators.
 - Public Education & Outreach: a) FEJF Storyline and b) compile outreach contacts/lists
 - Other team discussions/issues/status
7. Next meeting and conference call: dates, locations, topics
8. New items
