Subject: WEST Associates Comments on the WRAP's Four-Factor Reports

Attachments: 2009-06y_4F Comments; General Utilities West Associates comment letter.pdf

Please find attached, WEST Associates comments on the recently released Four-Factor Reports developed by EC/R Incorporated for the WRAP. WEST's comments are in regard to the portions of those Reports addressing EGU's operating in WRAP states. Thank you for the opportunity to comment. Best regards,

Lyle Nelson, WEST Associates
