

# TSS Status Update

IWG Conference Call

July 14, 2009

# Recent Data Uploads

Scenario	Emissions Data	WEP Data/Maps	Modeling Results
Prp18b	X	X	X
Prp18cmv	X	X	X

# Recent Data Tool Updates

Data Tools	Updates		
	Prp18b	Prp18cmv	Other
Emissions Review	X	X	Enlarged "County" box for readability
WEP	X	X	Ability to select multiple scenarios; Plan to add link to scenario spec sheets
Modeling Results	X	X	Removed "Original IMPROVE Alg." option
Vis. Projections	X	X	
CIA Table	X	X	
Documents			Plan to revise and post

# Corrections to County Names

- The database included some duplicate county names due to slightly different versions received with past data updates. Examples:
  - “La Plata” vs. “LaPlata” County in CO
  - “La Cruz” vs. “Cruz\_La” County in Chihuahua, Mexico

<b>Region:</b>	WRAP	Non-WRAP US	Canada	Mexico
<b>Status:</b>	Done	Done	Minor additional work required	Additional work required

# Internet Explorer 8 Compatibility

- To ensure IE8 Compatibility, change your security setting to Medium
  - Once in IE8, click Tools>>Internet Options
  - Select the “Security” tab
  - Set the “Security Level” to Medium
