

**OFFROAD DIESEL RETROFIT
GUIDANCE DOCUMENT**

November 18, 2005

VOLUME 1

*ELEMENTS OF STRUCTURING
A SUCCESSFUL RETROFIT PROGRAM*

Emissions Advantage, LLC
1717 Pennsylvania Ave., NW, Suite 650
Washington, DC 20006

TABLE OF CONTENTS

**VOLUME 1 – ELEMENTS OF STRUCTURING A SUCCESSFUL
RETROFIT PROGRAM**

I.	INTRODUCTION	1.I-1
	A. Purpose of and Topics Covered in the Guidance Document	1.I-1
	B. Overview of WRAP Offroad Retrofit Program Elements	1.I-1
	C. Offroad Sectors and Retrofit Application Opportunities	1.I-2
	D. Overview of Visibility Impacts and Health Effects of Diesel Exhaust	1.I-15
II.	RETROFIT PROGRAM DEVELOPMENT PROCESS	1.II-1
	A. Assessing Emission Reductions, Establishing Realistic Objectives and Setting Achievable Targets	1.II-1
	B. Retrofit Program Policy and Implementation Options	1.II-20
	C. Structuring, Planning and Managing an Effective Retrofit Program.....	1.II-24
III.	RETROFIT PROGRAM TYPES AND EXPERIENCE	1.III-1
	A. Program Types	1.III-1
	B. Mandatory Programs.....	1.III-2
	C. Voluntary Programs	1.III-9
IV.	IDENTIFYING AND ACQUIRING FUNDING	1.IV-1
	A. Funding Sources and Incentives	1.IV-1
	B. Preparing Grant Applications and Funding Proposals.....	IV-14
V.	RETROFIT PROGRAM PARTNERS AND CONSTITUENTS	1.V-1
	A. Elements and Methods for Building Constituency and Successful Partnering	1.V-1
	B. Understanding Industry and Private Sector Perspectives Regarding Retrofit Programs, and Factors of Importance to Them.....	1.V-9
	C. Public Education and Outreach.....	1.V-17

VOLUME 1
WRAP OFFROAD DIESEL RETROFIT GUIDANCE DOCUMENT

VI. TECHNOLOGY SELECTION AND PRODUCT ACQUISITION 1.VI-1

 A. Selecting Retrofit Strategies 1.VI-1

 B. Approaches to Retrofit Product Acquisition..... 1.VI-39

VII. VOLUME I REFERENCES AND BIBLIOGRAPHY1.VII-1
