

**Western Regional Air Partnership
Stationary Sources Joint Forum
Meeting Agenda
February 18-19
Central City Room, Brown Palace Hotel
Denver, Colorado**

Wednesday, February 18

- 9:00 Welcome and Introductions
- 9:15 Overview of Forum Activities and Schedule
- 9:45 **Best Available Retrofit Technology (BART) for Regional Haze**
- * Background
 - * What's in the rule now that will not change
 - * What can we expect from EPA's revisions (April proposal)
 - Process for WRAP to comment on proposal
 - * WRAP RFP to Identify BART eligible sources (see wrapair.org)
 - Create work group to evaluate bids and select contractor
 - * Relationship to Reasonably Attributable Visibility Impairment
 - * Future Tasks
 - Assist with / provide input on state and tribal determinations regarding sources subject to BART

 - Assist with / provide input on state and tribal determinations regarding BART control levels

 - Evaluate potential controls for non-BART stationary sources that may be needed to demonstrate reasonable progress

 - WRAP Technical Analysis: How and when do we determine what is needed from stationary source sector to demonstrate reasonable progress?
- 12:00 Lunch

1:00 **Other Regulatory Options/Proposals: Implications for the Regional Haze Program**

- * Overview of SO₂ Annex - can it be expanded?
- * EPA's proposed Interstate Air Quality Rule
- * Revisions to PSD program for NO_x (Sept 04 proposal)

4:00 **Information Needs**

- * Evaluate emission trends and development that may effect stationary source emissions between 2003 and 2018 (i.e., oil and gas EISs)
- * Develop / review stationary source emissions inventories and WRAP analyses of stationary source contributions to haze

5:00 Adjourn for day

Thursday, February 19

8:30 **Discuss other regulatory and legislative developments at the national level and relationship to WRAP efforts on stationary sources**

- * Multi-Pollutant legislation
 - Proposed changes to BART, NSR, PSD, NSPS, etc.
 - Regional NO_x and SO₂ caps
 - Other issues
- * Mercury
- * New Source Review

12:00 Lunch

1:00 Next Steps

- * Work Groups to follow up on each issue / Forum goals for next 60 days
- * Forum leadership (i.e., co-chairs)
- * Next Meeting

3:00 Adjourn
