

Proposal for WRAP FEJF TWIST Project

Fire Emissions Joint Forum Meeting

San Diego, CA

February 22-23, 2007

Cancel Proposed Smoke Management Tech / Policy Workshop

- **Some \$ from this line had been used to pay Dave to prepare for/participate in the Sacramento May 2006 workshop.**
 - **Propose taking the remaining \$21K and added \$4K back to total \$25K (WGA limit on non-compete/sole source contracts)**
 - **Propose naming the new project FEJF TWIST (Technical WRAP-Up and Implementation Support Team)**
 - **Project purpose (for discussion later today):**
 - **Summarize fire technical issues in a memo from the FEJF to be completed Spring 2007 (addressing plume rise, 2018 modeling suites, etc.)**
 - **Prepare a briefing paper on "Fire EIs Lessons Learned" on behalf of FEJF for distribution in mid July 2007**
 - **Prepare for and participate in the mid-September 2007 "Regional Haze EIs - Lessons Learned" workshop.**
