

“Coordinating Better on Coordination”

August 31, 2009
FETS Project Meeting
Boise, ID

DENVER • PORTLAND

Why Regional Coordination?

- Required by the Regional Haze Rule
- Significant part of FETS' intended function

Key Themes to Explore

- Who is using the FETS for this purpose?
- What obstacles need to be overcome to make it effective?
 - Submit proposals ahead of time
 - Make a secure Map tool for proposals (requires login)
 - A (slightly) modified approach to making burn calls?
- What are the responsibilities of
 - FETS Administrators
 - Agencies submitting data
